Should you require accommodation at any stage in the recruitment, assessment and selection process please consult with Enersource's People Team.

We thank all applicants. Only those selected for an interview will be contacted.

## About Enersource

Enersource is one of Ontario's most reliable energy providers, serving over 200,000 residential and commercial customers across Mississauga. It is a diversified energy and technologies company that serves customers through the distribution of electricity and the delivery of services related to the design, operation and maintenance of electrical systems.

Building on 97-years of service, Enersource employees excel in areas such as employee safety, reliability, cost-effectiveness and pro-active maintenance of the electricity system in Mississauga. The Enersource commitment to customer service is expressed in our tagline, "More than Energy," which drives our culture of excellence through every Enersource employee's aspiration to always meet the needs of our customers today and into the future.

Enersource is owned 90 per cent by the City of Mississauga and ten per cent by BPC Energy Corporation (Borealis), a subsidiary of the Ontario Municipal Employees Retirement System (OMERS). Enersource is proud to be an equal opportunity employer.
